

Call for Research Partnership Grants with South Asia and Iran 2022

Annex 3: Partial usage of the Research Partnership Grant when a foreign research partner visits the Swiss main applicant

The grant amount may be used partially to cover the following costs if they are incurred in Switzerland, and provided they are directly related to the execution of the research work:

- Accommodation
- Lump sum living allowances
- Public transport
- Social security contributions
- Health- and/or accident insurance premiums
- Local tax

The grant amount must **not** be used to cover any of the following costs:

- Salary
- Taxi or similar means of transportation
- Purchase of souvenirs and gifts
- Purchase of items of daily use (e.g. clothes, toiletry, etc.)

We recommend that the Swiss main applicant collects and stores all related receipts and invoices. However, these do not need to be submitted to the Leading House South Asia and Iran.
